PSC-SC Tariff No. 2 to Introduce	)	INTERVENTION
Commercial LATA Termination Service	)	APPROVING
in the State of South Carolina (Tariff	)	TARIFF AND
No. 89-56)	)	CLOSING DOCKET

This matter comes before the Public Service Commission of South Carolina (the Commission) by way of a tariff filing on April 27, 1989, by SouthernNet of South Carolina, Inc. (SouthernNet) for revisions to its PSC-SC Tariff No. 2. The purpose of the filing by SouthernNet is to introduce a new service offering called Commercial LATA Termination. Commercial LATA Termination Service is an outbound multipoint switched service accessed via a high capacity dedicated service line from the customer's premises to the carrier's point of presence.

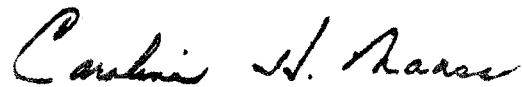

The matter was duly noticed and a Petition to Intervene was filed on behalf of Southern Bell Telephone and Telegraph Company (Southern Bell). Thereafter the matter was set for hearing.

By letter dated July 21, 1989, Southern Bell advised the Commission that it wished to withdraw its intervention in this docket. The Commission has considered the request of Southern Bell and finds that Southern Bell should be allowed to withdraw

its intervention in the instant docket. In light of the withdrawal of Southern Bell's intervention, the Commission finds that the tariff as filed by SouthernNet should be approved and the instant docket closed.

IT IS SO ORDERED.

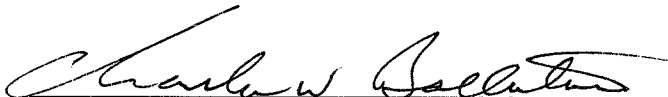

BY ORDER OF THE COMMISSION:
